

Professional Liability Insurance Solutions for Architects, Engineers and Contractors Small and Medium Enterprises

Lexington Architects and Engineers (A&E) has been providing market-leading professional liability insurance solutions to meet the specialized needs of the design and construction industry for more than 45 years. The risks that small and medium-sized businesses face can be as complex as risks faced by larger companies. To help address these risks, Lexington A&E can now provide its capacity, claims capability, and longstanding expertise with the largest, most complex risks in the market to SMEs with annual revenue of up to \$7.5 million.

LEXINGTON INSURANCE

An  company

Lexington Insurance Company, an AIG company, is a leading U.S.-based surplus lines insurer.

The term AIG refers to American International Group, Inc. and is the marketing name for its worldwide property-casualty, life and retirement, and general insurance operations.

Additional information about AIG can be found at www.aig.com | YouTube: www.youtube.com/aig | Twitter: @AIGinsurance | LinkedIn: www.linkedin.com/company/aig.

Products and services may be obtained from Lexington Insurance Company or from Lexington Specialty Insurance Agency, Inc. (CA license no. #6003097), an AIG subsidiary serving as a program administrator for Lexington Insurance and other AIG member companies.

All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Certain property-casualty coverages may be provided by a surplus lines insurer. Coverage is subject to actual policy language. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.

INTENDED FOR LICENSED SURPLUS LINES INSURANCE BROKERS ONLY
