Lexington Insurance Company, an AIG company, is a leading U.S.-based surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.

The term AIG refers to American International Group, Inc. property and casualty insurance operations, including related property and casualty business divisions, but not to any specific subsidiary insurance company.

The coverage scenarios described above are provided as illustrative examples only. Coverage is subject to underwriting information presented to us and actual policy language. Certain products and services may be provided by other AIG subsidiaries or affiliates. Non-insurance products and services may be provided by independent third parties.

Licensed, surplus lines brokers may obtain products and services from Lexington Insurance Company or from Lexington Specialty Insurance Agency, Inc. (CA license no. #6003097), an AIG subsidiary serving as a program administrator for Lexington Insurance Company and other AIG member companies.
