An **AIG** company

Lexington Insurance Company, an AIG company, is a leading U.S.-domiciled surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.

The term AIG refers to American International Group, Inc. property and casualty insurance operations, including related property and casualty business divisions, but not to any specific subsidiary insurance company.

The coverage scenarios described above are provided as illustrative examples only. The above does not constitute a promise to quote a policy. Coverage is subject to underwriting information presented to us and actual policy language. Certain products and services may be provided by other AIG subsidiaries or affiliates. Non-insurance products and services may be provided by independent third parties.

No warranty, guarantee, or representation, either express or implied, is made as to the correctness or sufficiency of the information to be presented. Coverage is subject to actual policy language.

Licensed surplus lines brokers may obtain products and services from Lexington Insurance Company or from Lexington Specialty Insurance Agency, Inc. (CA license no. 6003097), an AIG subsidiary serving as a program administrator for Lexington Insurance Company and other AIG member companies.
