**Employers' Liability Insurance**

Lexington has potential liability for policies under which UK commercial lines employers' liability cover has been provided to employers for which Lexington provides cover only in excess of that provided by another insurer (and where the principal cover is £5,000,000 or more). However, Lexington is not required to make details of those policies available in this register under FSA rules. The responsibility for making such information available in relation to the policy providing the principal cover is with the principal insurer. Enquiries may be made about those policies by individual claimants, their authorised representatives, or insurers or their insurance intermediaries, with potential claims, by contacting the Risk & Regulatory Manager, Lexington Insurance Company - London Branch, 58 Fenchurch Street, London, EC3M 4AB.
